IMPORTANT DETAILS!

An Awards Schedule will be printed in the show program and will be posted. Gathering Location will be defined as one of three warm up areas: NEDA White, NEDA Pink, NEDA Green. **For each class an Awards Window, consisting of (1) Gathering Start Time and (2) Gathering End Time, will be designated.** Gathering times will be determined only by cell phone time. Both Horse and Rider in full show attire (bandages are allowed) must be present and will be pinned upon arrival. At the end of the Awards Window class will be repinned if necessary. Gathering End Time may be adjusted ONLY upon request from Show Office, in case of unforeseen scoring difficulties. **Any arrivals after Gathering End Time will not be pinned and will be eliminated and will lose their Regional Championship score and placing.** Unmounted participation or excused absence, retaining Regional Championship placing, only with permission granted one hour or more prior to Gathering Start Time from Awards Coordinator in consultation Show Manager, TDs and USDF Representative. Unmounted Rider must be present in Gathering Location in full show attire during Awards Window. See Show Program for important USDF statements of Award Ceremony details.
