USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

2021 USDF Breeders Championship Series Program Rules-COVID

The USDF Breeders Championship Series (USDFBCS) is a program intent on recognizing quality bloodlines and dressage prospects across the nation. Through a combination of in-hand and materiale classes, the USDFBCS program strives to provide top-notch competition opportunities for dressage prospects and breeding stock.

- The USDFBCS is scheduled on a calendar year basis, which means that the USDFBCS competition year runs from January 1-December 31.
- A series must have a minimum of one free qualifying event to host a series final competition. The required qualifier can be held in conjunction with a series final competition.
- Series boundaries are determined by USDF. Please be advised that the boundaries of any given series may cross the regional boundaries established for dressage competitions.
- All Dressage Sport Horse Breeding (DSHB) and USDFBCS exhibitors and management staff are responsible for knowing the rules pertaining to USEF-licensed/USDF-recognized dressage competitions holding DSHB classes, as well as USEF-licensed/USDF-recognized competitions in general. The USEF Rule Book Chapter Dressage, Subchapter DR-2, contains the DSHB class rules, and can be found online at www.usef.org. All recent rule changes in the online USEF Rule Book will be noted in color.

IN-HAND CHAMPIONSHIP

A. HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS FOR ELIGIBILITY (IN-HAND CLASSES)

1. All horses entered in any USDFBCS qualifying or series final competition must have either a USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID) and submit identification information. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.
2. Owner is not required to be a USDF member for qualifying or series final competitions. If the owner does not have a current USDF Group, Participating, or Business Membership, non-member fees will apply. Should non-member fees not be paid by the USDF owner of record and/or not collected by competition management and submitted to USDF following the completion of an in-hand championship class, elimination from the championship class in question may result due to non-compliance with USDF requirements for competition.
3. Neither USDF membership nor a USDF non-member fee is required for the handler.
4. Horses participating in USDFBCS qualifying or final events are not required to be registered with any studbook, but "if a horse is registered with any breed organization, the name of the breed, sire, dam, damsire, and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the information is strongly recommended, if available" (GR907).
5. It is strongly recommended that horses not registered with a breed registry be listed as "unregistered".
6. Should any USDF membership or horse registration applications with related fees fail to be submitted to USDF with the completion of a series final competition, elimination of a horse from its relevant series final class may result.

B. REQUIREMENTS FOR USDFBCS IN-HAND QUALIFYING CLASSES

1. Classes must be offered and judged according to DR209.
2. All qualifying competitions must offer every Sport Horse Prospect In-Hand and Breeding Stock In-Hand division of the USDFBCS.
3. Only a single set of Sport Horse Prospect In-Hand and Breeding Stock In-Hand Dressage Sport Horse Breeding classes may be offered to serve as qualifying classes for the USDFBCS per competition. These classes must be open to all horses and ponies of the appropriate age and sex, and not subject to any entry restriction.
4. A separate championship class must be held for all divisions, even those that have only one class or one horse in the division. For example, if there is only one class of mares, the top two mares from that class would then be shown in the championship class. If there is only one stallion in the one stallion class, that stallion would then show again in the championship class. All horses must be reevaluated by the judge(s) at both the walk and the trot in the championship class. If any one of the judges adjudicating this class has not previously judged all of the horses in this class, conformation must also be reevaluated on every horse.

In addition, any other horse receiving a 75.000 percent or higher in its age/sex class will be qualified and eligible to compete in the USDFBCS series finals.
16. A list of qualified horses is maintained on the USDF website.

The highest scoring horses will be declared champions and the second highest will be declared reserve champions of the series final.
2. Ties in series final classes must remain unbroken.

- ~~7-8~~ Horses in the current year foal final class, filly final class, colt/gelding final class and four year old prospect final class MUST be evaluated using the USDF Dressage Sport Horse Prospect In-Hand scoresheets. Horses in the

- 8-9. Management must collect all required USDF membership, horse registrations, and related fees prior to the commencement of series final classes for eligible entries that wish to compete in a series final class. Should the required USDF membership, horse recording, and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant series final class may result due to noncompliance with USDF membership and horse recording requirements for competition. These applications and related fees must be submitted to the USDF office within 24 hours of the series final classes. Refer to section 1.A for all USDF membership and horse recording requirements for competition.
- 9-10. Series final events must agree to allow late entries in series final classes for horses that qualified for the series final event after the official closing date.

II. MATERIALE CHAMPIONSHIP

Materiale Championships will be held at each USDFBCS series final competition. Each USDFBCS series final will hold a Three-Year-Old Materiale Championship class, a Four-Year-Old Materiale Championship Class, and a Five-Year-Old Materiale Championship class. Fillies, colts, mares, stallions, and/or geldings, will compete in the same championship classes of their respective age groups. A Grand Champion and Reserve Grand Champion will be named for each materiale championship class at each series final event. A. HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS FOR ELIGIBILITY (FOR MATERIALE CLASSES)

1. All horses entered in any materiale class or Materiale Championship held at a USEF/USDF recognized Dressage Sport Horse Breeding (DSHB) or dressage competition must have either a USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID), and submit identification information. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.
2. Owner is not required to be a USDF member for a horse to compete in materiale classes, earn USDFBCS materiale championship qualification scores at USEF-licensed/USDF-recognized DSHB or dressage competitions, or compete in a USDFBCS Materiale Championship class. If the USDF owner of record does not have a current USDF Group, Participating or Business membership, non-member fees will apply. Should non-member fees not be paid by the USDF owner of record and/or not collected by competition management and then submitted to USDF following the completion of a materiale championship class, elimination from the materiale championship class in question may result due to non-compliance with USDF requirements for competition.
3. Rider is required to have a current USDF PM at the time a horse's qualifying score is earned and at the time of the USDFBCS Materiale Championship class.
4. Horses participating in USDFBCS qualifying or final events are not required to be registered with any studbook, but, "if a horse is registered with any breed organization, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank" (GR907).
5. It is strongly recommended that horses not registered with a breed registry be listed as "unregistered".
6. It is the responsibility of the horse owner to ensure that the owner's and rider's USDF membership and USDF horse registration are correct and current. Should any required USDF membership or horse registration application and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant series final class may result due to noncompliance with USDF membership and horse recording requirements for competition.

All qualified horses regardless of sex will compete against one another in their respective age groups. This means that all qualified three-year-olds will compete in one class to determine the USDFBCS Materiale Champion Three-Year-Old, and all qualified four-year-olds will compete in one class to determine the USDFBCS Materiale Champion Four-Year-Old, and all qualified five-year-olds will compete in one class to determine the USDFBCS Materiale Champion Five-Year-Old. Horses will be evaluated according to the criteria listed on the current "USDF Materiale Class" scoresheet, and classes must be conducted according to the current USDF "Procedures to Host USDF Materiale Classes".
6. Qualifying scores to compete in a class may be earned up until the championship class occurs.
7. Once a horse has qualified to compete in a USDFBCS Materiale Championship class, the horse is eligible to compete at the USDFBCS series final of the owner's choice. This means that the horse does not have to attend the series final being held within the same geographical area or series that the qualifying score was earned in. However, a horse may only compete in one USDFBCS Materiale Championship class in a given calendar year.
8. A list of qualified horses is maintained on the USDF website.
9. A horse may qualify with a different rider than the rider who competes the horse in the championship class.

- compete in a materiale championship class. Should required USDF membership, horse recording, and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant materiale championship class may result due to noncompliance with USDF membership and horse recording requirements for competition. These applications and related fees must be submitted to the USDF office within 24 hours of the series final classes. Refer to section II.A for all USDF membership and horse recording requirements for competition.

The Three-Year-Old Prospect Award will be awarded to the three-year-old horse earning the highest combined scores from their in-hand series final championship class and series final materiale championship class at each USDFBCS Series Final annually. USDF will provide each USDFBCS Series Final competition with the prize for the Three-Year-Old Prospect Award. This award must be presented to the award winner at the competition, and a photo taken of the award winner.

V. COMPETITION MANAGEMENT

A. APPLYING FOR AND SCHEDULING QUALIFIER AND FINAL EVENTS

1. The USDFBCS is scheduled on a calendar year basis (January 1-December 31).
2. A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the series final, are qualifying events for any series final.
3. Competitions intending to host USDFBCS qualifying classes must submit their USDFBCS qualifier application to USDF no less than sixty days prior to the start of the competition. Any competitions submitting USDFBCS qualifier applications less than sixty days prior to the start of the competition will be considered on a case-by-case basis and subject to a \$50 late application fee.
4. Competitions may not advertise themselves as being qualifying opportunities for the USDFBCS prior to submitting a qualifier application and related \$75 fee to USDF.
5. The official USDFBCS host site application form for qualifiers and series finals will be available from the USDF office during the summer, prior to the start of the next competition year. USEF-licensed/USDF-recognized dressage competitions interested in hosting a final for a series must submit a completed USDFBCS event application form and contract to the USDF office by October 1 of the year prior to the series final to request consideration for hosting the series final.
6. The final event of each series is often the last USEF-licensed/USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States. However, a series final must also be held in conjunction with a USDFBCS qualifying event. Host sites of series finals will be designated on or about November 1 of the year prior to the series final year. Competitions which submit a host site application after November 1 of the year prior to the series final year will be subject to a \$50 late application fee and reviewed on a case-by-case basis. **No host site applications for a series final received within 90 days of the proposed competition date will be considered.**

The series final must meet the minimum requirements for a series final: 1) minimum USEF Level 2 competition 2) Show manager and secretary must both be members of USEF and USDF (USDF Participating or Group Membership is required) at the time of championships. 3) all other requirements as stated in the USDFBCS Series Final Host Site Application.
8. It is recommended that a series final be held in conjunction with a USEF-licensed/USDF-recognized competition unless it has a proven stand-alone history.
9. All applications for a series final will be considered on a case-by-case basis.
10. A series final will be considered "definite" when at least three qualifying events have registered with USDF to participate in the series for the year. If it meets the minimum requirements, a series final will be considered "tentative" until at least three events have registered for the series.
11. If two or more qualified events in the same series wish to host the series final, a working group appointed by the Sport Horse Committee, will select the host site of the series final, after consultation with the chair of the Sport Horse Committee, the regional director(s) of the region(s) with qualifying events in the series and the Sport Horse Committee liaison. Priority for the final will be given to 1) the date of event, which must be after all qualifying events are normally scheduled, and ideally, between August 1 and October 1 of the series final year, 2) the most prestigious DSHB show, or USDF Regional Dressage Championship in the geographical area, 3) location and accessibility to competitors, 4) experience of the competition management with DSHB competitions and 5) history of rule compliance with USEF and USDF.
12. All USEF-licensed/USDF-recognized dressage competitions with DSHB classes scheduled prior to the series final in the same calendar year and geographical area are eligible to participate in the USDFBCS program. Dressage competitions with DSHB classes scheduled after the series final in their area are not eligible to participate in the USDFBCS program and will not be qualifying events for the next year's series final.
13. Only one USDFBCS series, or part of a series, may be held in any particular geographical area in the same calendar year. The boundaries of a series will be determined by USDF in consultation with regional directors and the chair of the Sport Horse Committee. Series will include clusters of DSHB shows and may cross the regional boundaries established for dressage competitions.

14. If a USDFBCS series does not have at least three qualifying events recognized by USDF by June 1 of the series final year, the final will not be held. Exceptions will be considered in extenuating circumstances.

B. ADVERTISING AND PROMOTION

1. In order to receive full promotional benefits from USDF, qualifying and final events must be approved at least six months prior to the competition.
2. Qualifiers and final events must be approved by USDF in writing each year before they advertise that they are participating as qualifying or final events in the USDFBCS program.
3. "USDFBCS" or "USDF Breeders Championship Series" must be used in its entirety if included as the title of an event, or if referred to anywhere within the prize list or program. (In other words, you cannot title a competition the "XYZ Breeders Competition").
4. The title "USDF Breeders Championship _____ Series Final" must be prominently listed in the final event official prize list, show program, promotional materials, and advertisements once the competition has received written approval of its status as a designated USDFBCS Final competition.

MANAGEMENT RIGHTS and SHOW POLICIES

Show Management reserves the right to change officials, rotate rings, limit entries, add, combine or cancel classes insufficiently filled, modify the schedule or reschedule classes after due notice to exhibitors, and modify or cancel awards and/or make whatever changes are required by circumstances to the competition specifications listed herein.

Show Management reserves the right to refuse or require withdrawal of an entry, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, and/or prohibit entries deemed sufficient by Show Management without claims for damages.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

Show Management reserves the right to interpret all questions and conditions regarding or arising out of any incident in the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the horse show management; their decision will be final.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
